RETAIL CHANNELS

One account. Multiple retail channels.

Set up one account to access 21+ global markets and a fast-growing network of retail channels.

 **One subscription - from £25/month**
Every package includes multi-channel and multi-market selling as standard. Grow your reach without growing your costs.

 **Single catalogue management**
One inventory per country. Update pricing, images, or stock levels once, and it syncs automatically across every retail channel.

 **Simple payments**
Sales from all channels are combined into one balance, with VAT handled automatically for quick, easy withdrawals.

Your products, in all the right places

Our industry-leading smart technology automatically identifies where across our network each product is most likely to succeed.

You list **once**, and our system handles the rest - ensuring products appear on the most suitable channels within the regions you sell to maximise performance.
